\*Timeline for new Toronto 740 kHz station, and consequent changes at two others

\*New Africa page, frequency list: <http://www.poba.de/africalist.html>

[P.S. Dec. 3: Dear Glenn - Tried twice to access the Africa-list web site in your no. 1060 edition, and each time my computer went down as the site seems to add an unlimited amount of /default.html 's. (Erik Koie in Copenhagen) Same here when we checked; avoid! It was OK when we originally checked it -gh]

\*Latest monitoring of English news from Voice of Africa, Libya

\*R. Nigeria, Abuja FM and SW facility construction on schedule
